- ③ Optional powder coated interior finishes
- ④ Pass-through cabinets
- ⑤ Magnetic closures
- ⑥ Rain gaskets as standard
- ⑦ 9.625" "furniture style" legs

## ABOUT US

As one of the first to introduce powder coated stainless steel to outdoor kitchens, Brown Jordan Outdoor Kitchens has continued to push its applications to the limit, with industry-first wood and industrial inspired looks. This expansive color offering, coupled with the collection's clean lines and elevated form, empowers architects and designers to create a seamless aesthetic that flows from the indoors out.
